LAND USE APPLICATION PAGE 2

On the page 3 , applicant will provide a sketch showing lot size and boundaries with all Lot Coverages. (Coverage equals the total square footage of all existing and proposed buildings on the property, including Porches, Storage Buildings, Covered Patios, Utility Buildings, and Carports). Location of all existing coverage and the proposed building/addition relative to property lines must be noted. A picture, sketch or a drawing of the proposed building is extremely helpful and should be provided.
